### Annual September Sale Metal Beds and Bedding.

HE Metal Bed, be it brass or enameled iron, is superior to the wooden bed in every respect. Besides being the acme of sanitation and cleanliness, which are the pre-eminent factors in a bed, it also has the unusual merit of adapting itself to any and all surroundings-wall papers, woodwork, carpets, furniture, etc.-harmonizing with all and greatly enhancing the looks of any room.

The beds that comprise this sale are high-grade—have a name behind them-being made by reputable manufacturers, who take pride in their output, and all are of the latest designs.

The Mattresses, with the exception of one lot, were made in our own workshops, during the dull season, hence we can assure our patrons of cleanliness, superior construction and finish, and also offer excellent values.

The following attractive values are offered for your considera-
